

## Faruk Burak Öğretici

Jr.Full Stack Developer

Istanbul, Turkey ✉ fburakogretici@gmail.com 📞 +90-5437668508

Hello, I'm Burak, I've always had an interest and enthusiasm for software, and I've worked in various companies as a software developer for the last two years. I continue to improve myself every day. I am a curious and ambitious person who likes to research. While writing code, I pay attention to SOLID principles and writing clean code.

### EXPERIENCE
